### GUTHRIE WOMEN PRAISE PONCA'S HOSPITALITY

(CONTINUED FROM PAGE ONE)

Mr. D. T. Collier of Ponca, vice-president; Mrs. D. A. Reid of Blackwell, secretary; Mrs. Benard of Perry, treasurer; Mrs. Carlson of Cheyenne, auditor; Mrs. J. L. Rutherford of Ponca, parliamentarian; Mrs. Dawson of Marshall, corresponding secretary.

One very interesting feature of the meeting Thursday was the fine arts exhibit. Mrs. Roy Thomas of Enid, as chairman of the fine arts committee, gave a very interesting report of that department of the club work. By fostering an encouraging art colony, we hope, in time, said Mrs. Thomas, to have, somewhere in Oklahoma, an art collection which will compare favorably with the galleries of the east.

The exhibit here is the first semi-annual exhibition of art at a federation meeting. Among the best exhibits was that from the schools of Ponca. The collection exhibited by Miss Anna Welsh, 12-year-old pupil of the Ponca City eighth grade, elicited many favorable comments from the visitors. Mrs. C. W. Ransom of Tulsa City and Mrs. W. K. Patterson of Guthrie were appointed by the president as judges of the art entries. They awarded the following prizes: First prize in oil to the club of Enid. Second to the club of Ardmore. First prize in water colors in the black well class, second to the club of Enid. First in china, to the Tonkawa club; second to the Blackwell club. An additional prize was given to the Red Cross of Enid for a bowl of roses painted in water colors. Mrs. G. W. Goodwin, Mrs. Reynolds, Mrs. Ball, Mrs. Lamar, Mrs. Harper, Miss Stinson, Miss Flora and Paul Cross, a ten-year-old artist of Enid, received honorable mention.

#### Resolutions of Thanks

At the afternoon session Thursday resolutions were passed extending thanks and appreciation of the federation to the Twentieth Century Club members who entertained the visitors and delegates; to the hotel of operation and to Mrs. Ed. M. Calvert for the music rendered by the neighborhood orchestra and also to the Ponca City boy scouts and Scout Master J. E. Deggendorf for the valuable services of the scouts in assisting the ladies to their assignments.

The federation voted to meet at Ponca in April of next year.

Mrs. A. W. Eder entertained the federation at a 6 o'clock dinner Thursday evening. About 120 ladies were in attendance. An automobile trip to the 101 ranch and tea given at the ranch house by Mrs. Mollie Miller was on the program for Thursday afternoon but had to be dispensed with on account of a hard rain which set in early in the afternoon.

#### Visited Governor Barnes

The Chicago Republican says: Dr. A. Hill left last Sunday for an extended trip to several Kansas points. Among the places visited were Wichita and Dodge City. In Wichita Mr. Hill saw and had a brief talk with Hon. W. M. Barnes who was for one year territorial governor of Oklahoma. Mr. Barnes was appointed minister to President McKinley in 1896 and was serving as chief justice during the Spanish American war. It was Governor Barnes who caused Mr. Hill then an attorney at Kansas City, into the Roosevelt Rough Riders. Mr. Barnes is now a retired operator in Emporia and still keeps to his old profession after meeting some financial reverses. In Guthrie following statehood, Mr. Barnes started the telegraph profession during the civil war, being with one of the early signal corps organized by the United States army. Mr. Hill stated that the old-timer was in the best of health and that he expects an abundance of greeting to his old-time friends in Oklahoma.
